SECOND ANNUAL GIVING DECEMBER AT BIZX!

BizX will match the 1% of all transactions in the month of December, and allocate those funds to fuel philanthropic initiatives in our communities throughout 2018 and all the years to come.

What does it mean to be “purpose-driven”?

A purpose-driven person is guided by a strong compass toward a constellation of ideals which serve as their North Star. All of their actions, initiatives, goals, and objectives ultimately serve that purpose in ways both big and small.

At BizX, we are a purpose-driven organization. Above all else, our purpose is to improve the lives and businesses of our members, and, in doing so, enrich our local communities.

Central to living our purpose is our ability to give back, and to act as a catalyst for our members to do the same.

So—in the spirit of the holiday season, we are kicking off our second annual Giving December event!

BizX will match 1% of all transactions in the month of December, and allocate those funds to fuel philanthropic initiatives in our communities

throughout 2018 and all the years to come.

Charity makes up a critical part of the BizX community. BizX has raised and contributed over \$1 million BizX dollars to more than 40 charities and non-profits engaged in the network, including the American Red Cross, the Rivkin Center for Ovarian Cancer, and Habitat for Humanity. For these groups, BizX plays a vital role as they work to accomplish their purpose. By accepting donations in BizX dollars, these non-profits are able to offset burdensome operational expenses and keep more cash focused on helping those in need. Because every BizX dollar that a business earns represents new sales through the network, BizX members are able to donate their BizX dollars freely without hurting their bottom line. In this way, BizX is an accelerant to the good work done by our charity partners and our for-profit members alike. A true WIN-WIN.

BizX is a community of entrepreneurs and business owners supporting each other. Critical to this success is the ability to recognize our blessings and consider those less fortunate than ourselves. We hope you'll join us in giving back to the many worthy charities in the BizX network this season.
